

Luxo 3 Basic COB
10 Watt, compact inbouw armatuur.
Leverbaar in het zwart, wit of blank aluminium.
CNC gefreesd massief aluminium behuizing voor optimale koeling van de LED.

Typische applicaties
Vervanging van 50 Watt halogeen armaturen in alle mogelijke toepassingen.

Grote keuze in dim mogelijkheden
Alle mogelijke dimmethodes zijn van toepassing waaronder DMX512, DALI & bluetooth dimmen.

Optimale verstelbaarheid
De lichtbron is zowel in horizontale als verticale richting verstelbaar.

Verwisselbare optieken
Reflectoren zijn snel en eenvoudig te verwisselen voor optimale afstelling.
60° flood optiek standaard gemonteerd.

Luxo 3 Basic COB
10 Watt, compact downlighter.
Black, white or blank aluminium finish.
CNC cut massive aluminium housing for optimal heat dissipation of the LED.

Typical applications
Replacement of 50 Watt halogen lamps in all possible applications.

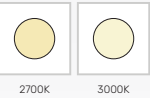

Large choice in dimming methods
All possible dimming methods are available including DMX512, DALI & Bluetooth dimming.

Optimal adjustability
Both horizontally and vertically adjustable.

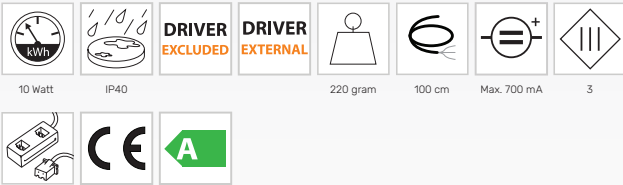

Interchangeable optics
Reflectors can be changed easily on the spot.
60° reflector fitted as standard.
